Edge

Edge is a Catholic middle school youth ministry experience created for adolescents in grades, fifth, six, seven, and eight. Edge is designed to meet the educational, spiritual, emotional, and social needs of young adolescents. Edge has activities designed to create a greater sense of community among our middle school youth and for the kids to have fun and enjoy themselves in a church setting while learning about their faith. This is done through games, music, videos, talks, and fun activities. Please contact Scott Anderson (618) 789-2443 if you have any further questions or need more information. If you are interested in joining, please see the link below.
